Figures taken from www.fec.gov on October 8, 2010.

While some of the individual donors above may have broader and diverse business interests, each has been documented as having nuclear power (and/or weapons) business interests. To see more specific information about various companies' nuclear power business interests, see "Campaign Contributions to U.S. Congressman Fred Upton by Political Action Committees Associated with the Nuclear Power Industry," by Kevin Kamps, Radioactive Waste Watchdog, Beyond Nuclear, October 9, 2010.
